BEL PASSI BASEBALL RULES 2018

The following rules in sections one-fourteen will apply for Bel Passi Single A, Double A, Triple A, American League, and National League during all Bel Passi regular season games.

SECTION ONE: GENERAL BEL PASSI RULES

- 1.1** The priority of baseball rules shall be as follows:
A) Bel Passi Baseball Rules, B) Pony Baseball Rules, C) Major Leagues baseball rules.
- 1.2** No alcohol or tobacco products, or electronic cigarette devices shall be allowed within the property of Bel Passi which includes the paved parking lot. Any violation of this rule can result in immediate removal from the park by any executive board member. Further review by the Executive Board may result in a permanent expulsion from the park.
- 1.3** The official date for determining a player's age is August 31st. A verification of the birth date is required for every Bel Passi entrant at the time of registration. (The official baseball season is August 1-July 30.)
- 1.4** The playing uniform of all players must include long pants. Players must wear provided jerseys and caps unless otherwise approved by the Baseball Commissioner and Equipment Commissioner. In the event a player loses or forgets his jersey or hat, the Coach of Record must advise the opposing coach of the conflict prior to the start of the game. If the problem persists for multiple games, the Coach of Record has the discretion to restrict the player from the lineup for that game. All players on the field must wear matching uniforms and caps.
- 1.5** To qualify as a base coach, any person must be at least 15 years of age. All coaches under the age of 18 must wear a batting helmet. Bat persons are not allowed.
- 1.6** All players must remain in the dugout during the games if they are not participating at that time. The only exception to this rule is a player assigned to warm up in the bullpen by a coach. All pitchers warming up in the bullpen will be required to have a shagger, wearing a helmet and facing the field of play at all times.
- 1.7** Flagrant or intentional throwing of equipment is not permitted and may result in an ejection. If a throwing incident is not flagrant or intentional, the umpire shall give a warning to the Coach or the Assistant Coach of the player. The determination of flagrant vs. accident is the Umpire's decision.
- 1.8** Misuse of Bel Passi property, including dugouts, fencing and all screens is prohibited. Any misuse should be reported to the board member on duty.
- 1.9** Laser pointers, air horns, cowbells, drums or other artificial noisemakers will not be permitted at the Bel Passi complex except for Bel Passi's own public address system.
- 1.10** Positive cheering ONLY from fans, players and coaching staff. Chanting aimed at distracting a pitcher will not be allowed.
- 1.11** Any Executive Board Member will be eligible to coach a team. No one will be permitted to serve as Head Coach on more than one team without approval of the Executive Board.

- 1.12 No alterations to uniforms after they are handed out without prior approval of the Executive Board. All teams must wear a conventional uniform unless they have received prior approval of the Executive Board. Names, nicknames, and players' uniform numbers will be allowed on hats without prior consent. After three years of consecutive Executive Board approval, Board approval is not necessary if the alteration system remains consistent (i.e. - reward patches for attendance, stellar play, etc.).
- 1.13 No cameras or video recorders on the field at any time unless designated by the Executive Board.
- 1.14 All equipment must be Pony or Pony approved (as appropriate for the league) or equivalent except as noted in individual age groups. Determination will be made by the Equipment Commissioner. Pony League and/or Bel Passi equipment may not be altered.
- 1.15 Bel Passi Baseball will follow the Pony Baseball Rules handbook for bats.
- 1.16 All players 7-14 must sign (and be witnessed by a parent or guardian) and return with their registration the Player's Code of Conduct before he or she can participate in his/her first practice.
- 1.17 Any player who quits a team without an acceptable excuse will be ineligible for pre-registration, or tournament teams for the following year. Acceptable excuses will be determined on an individual basis by the Executive Board.
- 1.18 It is recommended all players age 7-14 wear a protective cup or pelvic protector.
- 1.19 To be eligible to play for Bel Passi, a player must attend at least half of the scheduled evaluation dates.

SECTION TWO: GENERAL BASEBALL RULES

- 2.1 All Players present and capable of playing must play at least two complete innings. If a player who is present is not going to play due to an injury, the opposing coach and the official scorekeeper must be informed of such prior to the start of the game. Any player who arrives after the end of the 3rd inning may or may not participate in the game at the discretion of the player's coach.
- 2.2 All batters shall bat in succession. The batting line up does not become official until every player present has batted one time. If a player arrives after one time through the lineup, the late player will be added to the bottom of the lineup.
- 2.3 If a defensive player or base runner is removed from the game due to an injury, he may return. He must take his next turn at bat or leave the game permanently. If he can't take his turn at bat, no out shall be recorded.
- 2.4 If a batter can't complete his turn at bat, the next batter in order shall assume the at bat. This batter will assume the injured batters ball and strike count. In such case, the injured player who could not bat may not return to the game.
- 2.5 A team failing to field at least seven uniformed players by the scheduled starting time shall forfeit the game. The Coach of Record must submit a lineup to the umpire and opposing team which lists the players present at the start of the game.

- 2.6** In the event a coach is unable to attend a team practice or game, it will be his duty to make arrangements for another adult who meets Bel Passi Requirements i.e.: Live scanned coach or parent to take his place. Players must not be left unattended.
- 2.7** Games that are stopped because of rain or any other stoppage that have not completed 4 innings (3 1/2 innings with home team ahead, 7-10 years old age groups), 5 innings (4 1/2 with the home team ahead, 11-14 years old age groups) will be replayed.
- 2.8** An official game is 4 innings for 7-14 years old age groups (3 1/2 with the home team ahead).
- 2.9** If an official game is called, (due to rain, etc.) the score of the game will revert back to the last completed inning. The game is called when the Executive Board Member on Duty ends play and is considered a complete game.
- 2.10** Tie games shall be counted as 1/2 game won and 1/2 game lost.
- 2.11** Rained out games will be made up during the season when there are open dates. This may include Sunday. The Executive Board shall determine all dates of make-up games.
- 2.12** The Umpire is the official timekeeper. Home Team scorebook is the official score. If the designated Home Team cannot provide a scorekeeper, the Visiting Team will become the Home Team of record (a dugout switch is not required). Start time must be announced by the home plate umpire at the time of the first pitch.
- 2.13** All catchers must wear throat protectors or a mask with a built-in extension. All catchers ages 5-14 must wear a protective cup. Skull caps may not be used.
- 2.14** A Coach of Record in the American league may walk an opposing batter by notifying the umpire before the first pitch is thrown to the batter. Intentional walks will not be allowed in the National League or the 7-8 year old league.
- 2.15** There will be one warning per team per game and subsequent ejection of the player for performing a fake, hidden ball trick or phantom tag. Coach may be ejected at Umpires discretion.
- 2.16** If a defensive player has the ball and is waiting to make the tag, the runner must slide or attempt to avoid the tag. A runner cannot be called out if there isn't a collision.
- 2.17** Coaches may warm up pitchers during games.
- 2.18** Batting "donuts" are permissible, but only in the on-deck circle. The on-deck circle is the only authorized warm up area for batters once the game begins. This includes the restriction of hitting sticks or any other hitting tool inside or outside the fence line. This is a safety concern for all players and children outside the fence line.
- 2.19** There will be no keeping score while coaching 3rd or 1st base, this includes, but is not limited to, clipboards, notepads, etc.
- 2.20** During any one inning, the offensive Coach or the Assistant may call one (1) time out for discussions with his players.
- 2.21** To maintain the progression of the game, a batter must keep one foot in the batter's box on any pitch that is caught by the catcher and returned to the pitcher and the pitcher does not make a play to another base.
- 2.22** There will be no intentional head first slides at Home Plate. If a runner does slide head first at Home Plate, the runner will be called out. Head first slides are allowed at all other bases.

- 2.23** Unless the Defensive player is in possession of the ball, the Defensive player cannot block the pathway of the runner as he is attempting to advance or score. If, in the judgment of the umpire, the Defensive player without possession of the ball blocks the pathway of the runner, the umpire shall call or signal the runner safe. Notwithstanding the above, it shall not be considered a violation of this Rule if the Defensive player blocks the pathway of the runner to field a throw, and the umpire determines that the defensive player could not have fielded the ball without blocking the pathway of the runner and that contact with the runner was unavoidable.
- 2.24** Batting helmets must be worn by the batter/runners at all times in games and practices. In the event, any player intentionally removes his helmet during a live ball in a game, the umpire may declare player out.
- 2.25** A pitching week is defined as Sunday through Saturday.
- 2.26** The Coach or the Assistant Coach is allowed one trip to the mound for each pitcher per inning. On the second trip, the pitcher must be replaced for the duration of the game. If a coach makes a pitching substitution in the middle of an inning, the coach may stay on the mound to communicate with the new pitcher while warming up. Once the coach leaves the mound any time out to communicate with the pitcher is considered a trip. In the event of an injury the coach must go directly to the injured player and return directly to the dugout. Communication with the pitcher (unless it is the pitcher who is injured) will be considered a trip. Any conversation between a coach and a pitcher in fair territory between innings will be considered a trip.
- 2.27** A pitcher shall not wear extra items of clothing or accessories that are light in color or distracting to the batter. A pitcher may not use a glove which has a white or brightly colored spot on it. While pitching, a pitcher may not wear a batting glove. A pitcher may wear sunglasses. General jewelry or rings are not allowed.
- 2.28** Warm up pitches are not to exceed 6 pitches or 2 minutes whichever comes first. The player who throws the warm-up pitches in between innings must pitch to the first batter of the inning. This applies to all leagues.
- 2.29** Any pitcher withdrawn from the mound shall not be permitted to pitch again in the same game.
- 2.30** All players who are present for a game will bat in succession. Nine players will play defensively; except the 5/6 League and 7/8 National League, they will play 10 defensively. Coaches have the option of free substitution. All players must play a minimum of two full innings defensively. The batting order never changes.
- 2.31** If a runner is injured, the last player out will take his place on the bases.
- 2.32** With two outs the coach may use a pinch runner for the catcher of record or pitcher of record (the player who caught or pitched the previous half inning). This rule is optional, but, if used, the pinch runner must be the player who made the most recent out.
- 2.33** The pitch count chart is in effect for the 2018 baseball season. Pitch count begins once the pitcher steps on the mound. At the beginning of the game, the field Umpire will issue each head coach a dual pitch counter. The Head Coach will be responsible for designating a coach on the field to keep track of the pitch count for both the home team and visiting team pitcher of record. Between innings or when a pitcher is removed from the mound, both coaches will provide their current pitch count to the field umpire. The field umpire will record the pitchers name, number and pitch count for each pitcher, each inning, on the back of the game card. Coaches will not interrupt the play of game to dispute the

pitch count. The game card will be turned into at the end of each game and will be reviewed. Coaches violating the pitching rule will face disciplinary action by the disciplinary committee.

The Committee may interview umpires, and when necessary the coaches, and render a decision when possible 24 hours prior to the start of the protesting teams next game. Decisions on protests rendered by the committee are final and cannot be overruled.
- 5.5** If a protest is allowed, the game shall resume from the exact point when the infraction occurred, the game will continue when scheduling of such permits and shall be done by League Officials.

Example: should a manager, official scorer, league official or umpire discover that a pitcher is ineligible at the beginning of the game or at the start of the next inning of play; the fact should be brought to the attention of the manager of the team involved. Such action should not be delayed until the infraction has occurred.
