If it pleases the Board, the annual meeting may be held at any other time or place fixed by the Board not more than thirty (30) days after the annual meeting of the Members.

d. Other Meetings. Monthly meetings may be held at such times and places as shall be fixed by the Board. Any meeting announced at a regular Board meeting shall constitute proper notice.

- b. Fix or change the minimum or maximum number of Directors; or
- c. Change from a fixed number of Directors to a variable number of Directors or vice versa.

SECTION 3. MEMBERS' APPROVAL REQUIRED.

Without the approval of the Members, the Board may not adopt, amend, or repeal any Bylaw that would:

- e. Authorize cumulative voting.

SECTION 4. AMENDMENT BY MEMBERS.

New *Bylaws* may be adopted, or these *Bylaws* may be amended or repealed, by approval of the Members. Any provision of these *Bylaws* that requires the vote of a larger proportion of the Members than otherwise is required by law may not be altered, amended, or repealed except

by the vote of that greater number. No amendment may extend the term of a Director beyond that for which the Director was elected.

ARTICLE VIII. RECORDS AND REPORTING

SECTION 1. FISCAL YEAR.

The fiscal year of the corporation shall commence November 1 of each year, and terminate October 31 of each year.

SECTION 2. CORPORATE RECORDS.

This corporation shall keep the following: (a) Adequate and correct books and records of account; (b) Minutes of the proceedings of its Members, Board, and committees of the Board; and (c) A record of each Member's name and address. The minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the two. The list and records of Members shall be updated promptly by the Secretary during the fiscal year upon the admission of Members or upon the termination of membership of any Members.

SECTION 3. MEMBERS' INSPECTION RIGHTS.

a. Right to Inspect. Unless the corporation provides a reasonable alternative as provided below, any Member may do either or both of the following for a purpose reasonably related to the Member's interest as a Member:

i. Inspect and copy the records containing Members' names, addresses, and voting rights during usual business hours on 5 days' prior written demand on the corporation, which must state the purpose for which the inspection rights are requested; or

ii. Obtain from the Secretary of the corporation, on written demand and tender of a reasonable charge, a list of names, addresses, and voting rights of Members who are entitled to vote for Directors as of the most recent record date for which that list has been compiled, or as of the date, after the date of demand, specified by the Member. The demand shall state the purpose for which the list is requested. The Secretary shall make this list available to the Member on or before the later of 10 days after the demand is received or the date specified in the demand as the date as of which the list is to be compiled.

b. Alternative Method of Inspection. The corporation may, within 10 business days after receiving a demand under this Section, make a written offer of an alternative method of reasonable and timely achievement of the proper purpose specified in the demand without providing access to or a copy of the membership list. Any rejection of this offer must be in writing and must state the reasons the proposed alternative does not meet the proper purpose of the demand.

c. Denial of Inspection. If the corporation reasonably believes that the information will be used for a purpose other than one reasonably related to a person's interest as a voting Member, or if it provides a reasonable alternative under this Section, it may deny the Member access to the membership list.

d. Rights Included with Inspection. Any inspection and copying under this Section may be made in person or by the Member's agent or attorney. The right of inspection includes the right to copy and make extracts. This right of inspection extends to the records of any subsidiary of the corporation.

SECTION 4. ACCOUNTING RECORDS AND MINUTES.

a. Inspection of Accounting Records and Minutes. On written demand on the corporation, any Member may inspect, copy, and make extracts of the accounting books and records and the minutes of the proceedings of the Members, the Board of Directors, and committees of the Board at any reasonable time for a purpose reasonably related to the Member's interest as a Member. Any such inspection and copying may be made in person or by the Member's agent or attorney. This right of inspection extends to the records of any subsidiary of the corporation.

b. Inspection of Articles and Bylaws. This corporation shall keep at its principal California office the original or a copy of the *Articles of Incorporation* and *Bylaws*, as amended to the current date, that shall be open to inspection by the Members at all reasonable times during office hours. The Secretary shall, on the written request of any Member, furnish to that Member a copy of the *Articles of Incorporation* and *Bylaws*, as amended to the current date.

SECTION 5. DIRECTORS' RIGHT TO INSPECT.

Every Director shall have the absolute right at any reasonable time to inspect the corporation's books, records, and documents of every kind, and to inspect the physical properties of the corporation. Every Director shall have the right to inspect the records of each subsidiary. The inspection may be made in person or by the Director's agent or attorney. The right of inspection includes the right to copy and make extracts of books, records, and documents of every kind.

SECTION 6. ANNUAL REPORT.

a. Requirement of Annual Report. The Board shall cause an annual report to be sent to the Members and Directors within 120 days after the end of the corporation's fiscal year. That report shall contain the following information, in appropriate detail: (i) The assets and liabilities, including the trust funds, of the corporation as of the end of the fiscal year; (ii) The principal changes in assets and liabilities, including trust funds; (iii) The corporation's revenue or receipts, both unrestricted and restricted to particular purposes; (iv) The corporation's expenses or disbursements for both general and restricted purposes; (v) Any information required by Article VIII of these *Bylaws*; and (vi) An independent accountants' report or, if none, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the corporation's books and records.

b. Annual Report Not Required. This requirement of an annual report shall not apply if the corporation receives less than \$25,000 in gross receipts during the fiscal year, provided, however, that the information specified above for inclusion in an annual report must be furnished annually to all Directors and to any Member who requests it in writing. If the Board approves, the corporation may send the report and any accompanying material sent pursuant to this section by electronic transmission. If a report sent to the Attorney General in compliance with the requirements of Govt C §§12580-12599.7 includes the information required in the annual report, then the corporation may furnish a copy of its report to the Attorney General in lieu of the annual report whenever it is required to furnish an annual report.

SECTION 7. ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS.

As part of the annual report to all Members, or as a separate document if no annual report is issued, the corporation shall, within 120 days after the end of the corporation's fiscal year,

annually prepare and mail, deliver, or send by electronic transmission to each Member and furnish to each Director a statement of any transaction or indemnification of the following kind:

a. Related Transaction. Any transaction (i) in which the corporation, or its parent or subsidiary, was a party, (ii) in which an "interested person" had a direct or indirect material financial interest, and (iii) that involved more than \$50,000 or was one of several transactions with the same interested person involving, in the aggregate, more than \$50,000. For this purpose, an "interested person" is either:

i. Any Director or officer of the corporation, its parent, or subsidiary (but mere common directorship shall not be considered such an interest); or

ii. Any holder of more than 10 percent (10%) of the voting power of the corporation, its parent, or its subsidiary.

The statement shall include a brief description of the transaction, the names of interested persons involved, their relationship to the corporation, the nature of their interest in the transaction, and, if practicable, the amount of that interest, provided that if the transaction was with a partnership in which the interested person is a partner, only the interest of the partnership need be stated.

b. Indemnification. Any indemnifications or advances aggregating more than \$10,000 paid during the fiscal year to any officer or Director of the corporation under Article VI of these *Bylaws*, unless that indemnification has already been approved by the Members under Corporations Code §5238(e)(2).
